The Value for Value model comes from the great work of the No Agenda Podcast. You give what the show is worth to you, and we thank you on air.

\$10	Associate Producer: named in the program guide
\$25	Producer: on the ticker for a day
\$50	Executive Producer: ticker for a week and a guide credit
\$100	Knight or Dame of Multiplex: title read on air
\$250	Baron or Baroness: pick a show to air, with a dedication
\$500	Duke or Duchess: a block named in your honor
\$1,000+	King or Queen of the Multiplex: a custom title card, a night programmed for you, and a place in the Hall of Royalty

IMDb PRODUCER CREDIT: Executive Producers and above for any 24-hour broadcast day get submitted to IMDb under that day's Multiplex.FM listing, with their producer title. IMDb makes the final call on what gets listed.
